## Soap Updates by Seli Groves

**ALL MY CHILDREN:** Opal threatened to tell Palmer about Will's affair with Skye if Will tells Palmer about her affair with her dead wealthy ex lover Clem. After Opal exploded at Palmer's insistence that she sign a prenuptial agreement, a contrite Palmer begged her to forgive him. Adam convinced Natalie, he's grown to love her. Meanwhile, he continued to steal from her. Barbara and Travis had problems trying to go through the "preliminaries" for the conception of a baby who might save Molly. Angie discouraged their attempts to try artificial insemination at the fertility clinic where Barbara absentmindedly left her briefcase. With no other option, they decided to try nature's way again. Jeremy tried to bribe Ceara to turn down David's proposal. **Wait To See:** Adam springs a surprise that leaves Natalie more than a little confused!

**ANOTHER WORLD:** Marley decided to break up with Jake. Paulina was frantic that Ken might force Jake to tell what he knows about her. Mitch and Felicia agreed their marriage was over. Sensing Marley's danger, Vicky rushed to her sister and found her disheveled and claiming Jake tried to rape her. Vicky found Jake lying slumped over his video machine, a bullet to his spine. A worried told Ryan he saw "the wife" leave the loft. Cass caught Dean Jake to steal his car. **Wait To See:** Ken knows more than he'll say about Jake's shooting.

**AS THE WORLD TURNS:** Angel fainted when she learned she had to give up Noel. Barbara met with the mystery man. Duke urged Lien to go away with him for the evening while Frank tampered with Duke's van. Lucinda decided to send John the lavender hot anonymously. Philip ordered that Duke be "dealt with" before he could testify. Barbara went into false labor during the fashion show but started the real thing on the jet coming home. Lucinda hired Connor. **Wait To See:** Emily begins to have some doubts about Frank.

**BOLD & THE BEAUTIFUL:** Ben denied Jake's accusations that he'd abused him sexually as a child. Jake attacked Ben and then fled the house. Sally told Thorne what she had done was stupid, but she did it out of love for Macy. Sally, Clarke, Darla and Saul surprised Macy with a wedding dress Clarke designed. Saul agreed to be Thorne's best man, but Ridge stepped in as the ceremony began. Eric and Stephanie also came to the chapel. **Wait To See:** Jake makes a drastic decision.

**DALLAS:** The series season debut is November 2.

**DAYS OF OUR LIVES:** The doctor, who is on Lawrence's payroll, administered a special IV which killed Patch. Jennifer and Alice thought they had escaped from Lawrence but found they'd been kidnapped aboard the plane. April was nearly strangled by one of the mechanical creatures being manipulated by Nick in a secret room. While making another attempt to swindle Julie out of her money, Kiriakis had another painful attack. Roman arrested Nick for Patch's murder. Adrienne and Justin won custody of the babies. **Wait To See:** Lawrence plans a countdown to disaster for Alice and Jennifer.

**GENERAL HOSPITAL:** Scott assured Lucy he hadn't planted the advertisement for the owner of the diamonds. Dawn began calling around town searching for Decker unaware he'd earlier slipped a note under her door. Colton returned from Santa Mora with Carla's and Frankie's mother, Nidia. As Mrs. Harrison, Stevie and Audrey gathered at Simone's apartment, Tom turned up with Pauline (Simone's mother) who confessed she and Harrison worked to falsify the paternity test. Tom, not Harrison, is Tim, Jr.'s father. **Wait To See:** Shep makes an important discovery about Cheryl.

**GENERATIONS:** Daniel was pleased when Maya agreed to accept his relationship with Doreen. Jordan worried that Peter might be an Interpol agent and warned Reg not to sell the treasures yet. Daniel told Chantal Eric's "drunk" appearance could be caused by a medical problem. Vivian admitted to Peter she'll never forget "that night" and warned him to stay away from Ruth. Peter told Ruth he planned to have Sam get to know him before he revealed his identity. Ruth reassured him she will always be his friend. Chantal learns the truth about Eric's "drunkenness."

**GUIDING LIGHT:** Mindy saw Billy with Nadine and walked off the taping of "Love Bug." Sam and Alan-Michael confronted Billy about his drinking. Beth asked Rick to deliver her baby so Philip can be with her. Little Billy hid a liquor bottle in his schoolbag. Josh was unnerved by his feelings for Harley and asked Sarah to move in, while Harley told Sam about her growing feelings for Josh. Sam and A-M showed Ross the telegram that Bob, Ross later learned that Gary sent it and threatened to tell A-M about Blake's "miscarriage. **Wait To See:** Alex and Holly's plan to "get" Roger hits a snag.

**KNOTS LANDING:** Mack tried to help Karen recover from her long ordeal with a murderer. Anne received a blackmail letter demanding $1 million in return for revealing photos of her with a married man. **Wait To See:** Paige doesn't appreciate the "good news" she receives.

**LOVING:** Eddie told Shana there was a coverup on the crash and that the plane was defective. Later, Shana found Eddie dead and a man with thick glasses running out of the house. Abril told Carly she's pregnant. Carly would go into Paul's bed, hoping he'll think she's Ava. Egypt was afraid to tell Kate that the interest on the loan was escalating and that she'd inadvertently dealt with a shark. **Wait To See:** Shana's life is in danger because of what someone thinks she knows.

**ONE LIFE TO LIVE:** A sorrowing Bo believed Sarah died when the plane blew up and vowed revenge on her killers. Carlo was furious that Charlotte had been injured and later advised her to get Jake to make love to her if she wants him to stay with her. Laura told Dan she became involved with Greg to keep him from harassing her family and faked her suicide to escape from him. **Wait To See:** Jake is caught in a dilemma while Megan begins to reconsider her feelings for him.

**SANTA BARBARA:** Ignoring Eden, Sophia, and C.C.'s advice, Kelly agreed to marry Quinn. Mimi finally admitted to Lionel and Augusta that the water in the old pump made her feel young. After sipping a sample, Lionel and Augusta realized it made them feel amorous. Harland was shocked to learn Ric was his son and Tawny's half brother. Flame arranged for Kelly to have a dangerous fall after she fought with Eden. Mason and Julia tiffed over his drinking at the wedding reception. She left him at home where he fell asleep with a pot of hot coffee, unaware that Santi was reaching up to pull it down on herself. **Wait To See:** Cruz's investigation sets off an emotional time bomb.

**YOUNG & THE RESTLESS:** Jack felt increasingly anxious about Nikki's real reason for not telling him about her pregnancy. David's sense of relief over the "disappearance" of the brooch slipped away as he learned that the lake would be drained. Nina became upset with the changes she saw in David. **Wait To See:** Victor has a plan that could unsettle a few lives.

## YOUR HOROSCOPE

by Charles King Cooper

ARIES (March 21 to April 19) You'll make a point of saving more time for study and other mental pursuits now and in the coming weeks. Legal, publishing and school concerns are favored. Research on a financial matter is indicated. Once you get unfinished tasks out of the way, your social life soars.

TAURUS (April 20 to May 20) Both old and new friends play a part in the week's activities. Focus on career plans. Favors are asked of you, but you in turn receive benefits because your drive is backed by self-discipline and original thought now; you'll make notable career progress.

GEMINI (May 21 to June 20) Don't simply rely on the muse for creative stirrings, but prepare the way with solid concentration. Some make plans to take the children on a special trip. Clearing the air in a heart-to-heart talk with a close tie is akin to making a new start.

CANCER (June 21 to July 22) First, attend to what needs to be done at home base. Then, you'll be in a better position to judge what innovations to include on your agenda. You're on a roll in your career. Once you finish a project, you'll come up with new ideas to increase income.

LEO (July 23 to August 22) How a child handles a responsibility will be the factor in judging what additional freedoms to extend. Home life is highlighted now. Though you may not be in the mood for social life, you'll do your share of talking on the phone now. Some home duties also keep you busy.

VIRGO (August 23 to September 22) You'll be planning some important financial moves now and in the near future. You have the courage of your beliefs and may become involved in some cause. You make a good appearance before others now. Hard work on a career project consumes much of your time.

LIBRA (September 23 to October 22) Your follow-up timing on deals is excellent, though you and a close tie may have difficulty coming to an agreement about a financial matter. You should be able to complete your research now. Travel soon will be on your agenda. A partner may not budge on a personal matter just yet.

SCORPIO (October 23 to November 21) Loved ones are busy making plans for continued happiness. You might want to take a breather from excessive activity to catch your breath later. A career matter is settled to your satisfaction. A friend or child shows unduly stubborn. Be patient.

SAGITTARIUS (November 22 to December 21) You're motivated to achieve now, but mustn't expect immediate feedback for your new ideas. Continued work on them, though, brings a great sense of well being. Things should be proceeding nicely in domestic affairs. Dating and recreation should be on the upswing now.

CAPRICORN (December 22 to January 19) You work well as a team now, but don't fuss over matters of investment and spending. Plan for more home entertaining. You live up to your reputation as a hard worker now. Social graces help you win support of others. Intuition is the key to relationships.

AQUARIUS (January 20 to February 18) A romance becomes more serious now. Couples make intelligent moves regarding the welfare of offspring. Petty jealousy could arise in the office. Ignore it. You're the mastermind of efficiency in domestic interests now. A cycle of investment and magnification begins now.

PISCES (February 19 to March 20) Continued popularity is yours, although some of you may be wanting to spend more time alone with a romantic interest. Well thought-out career plans begin to pay off. Your timing is excellent. Friends are behind you. Avoid ideological disagreements.
